NEW DOC CLAIMS & APPLICATIONS

1. Roger called with questions on how they will receive notice.
2. Gave him that information.
3. I informed him that I had generated 2 new claims for the DOC, 1 for the dairy use & 1 for meat packing use.
4. I was also working on generating 2 applications for permit and 1 expansion claim.

One to cover future irrigation and domestic use from wells 3, 4 & 6.

The other to cover additional irrigation from wells 2 & 5.

5. I also informed Roger that I will need to get some affidavits for dates of change of the locations of POU for the irrigation rights.
6. I asked him if he would like to wait until I had all of this done so the DOC's attorneys could see it all at once? This would include the amended claims for wells 4 & 5. He said ok.
