Bob,

As per our phone conversation this afternoon, I am sending you a copy of the letter sent to Syringa Properties on September 13, 2016 regarding CSRBA water right claim 95-8627. This letter explains our need for a map depicting the 17 homes served by your water system and also the location of your 2 points of diversion (wells). Please submit this map within 30 days of this email to ensure an accurate recommendation of the water right will be sent to the Court. Thank you for your assistance in this matter.

Regards,

Evan
