To speed up the entry of a decree, the parties are encouraged to talk to the Idaho Department of Water Resources about their proposed settlement and have IDWR indicate its concurrence by signing the Standard Form 5.

Where all parties have signed, a Standard Form 5 may be filed with the court without the concurrence of IDWR. However, the parties must certify that they have served IDWR with a copy of Standard Form 5 and that they have made a good faith attempt to resolve the matter with IDWR.

Within 14 days of filing a Standard Form 5 not containing an IDWR concurrence, IDWR shall file a statement of its position with the court.

If IDWR has not concurred by signing below, signing parties certify that they have served a copy of this document on the Idaho Department of Water Resources and have made a good faith attempt to obtain IDWR's concurrence, but have failed.
