RE: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) claim 95-16512

Dear Claimants,

The Idaho Department of Water Resources (IDWR) is in the process of reviewing adjudication claims in your area. It appears that claim 95-16512 was never signed. It appears to be a simple oversight as all the required claim fees have been paid.

The claim must be signed in order to be considered an active notice of claim to a water right in the CSRBA.

For your convenience, I have enclosed both a copy of the unsigned "claim preview" that IDWR has on file, along with completed notice of claim. Please review the information on the notice of claim and initial any changes you wish to make. When satisfied, sign the claim and return it to me in the enclosed pre-paid envelope at your earliest convenience. No additional filing fees are required.

I apologize for the inconvenience. Please feel free to contact me with any questions.

Respectfully,

Craig L. Saxton
