ORDER OF PARTIAL DECREE

RECEIVED

APR 26 2017

DEPARTMENT OF
WATER RESOURCES

The above-captioned water rights were claimed as federal reserved water rights pursuant to Public Water Reserve 107. The Idaho Department of Water Resources filed a *Notice of Filing Federal Reserved Water Right Claims in the Coeur d'Alene-Spokane River Basin Adjudication Basin 94* on February 25, 2016, which included notice of the filing of the above-captioned claims. No objections were filed to the claims.

A hearing was held on April 24, 2017, as required by I.C. § 42-1411A(14), for the purpose of allowing the United States to demonstrate a *prima facie* case regarding the existence of the above-captioned water rights established under federal law. No party appeared in opposition. The United States filed an affidavit in support of its claims. The Court has reviewed the affidavit and heard the arguments of counsel in open court and finds that the United States has met its burden of establishing the existence and elements of an implied federal reserved water right for each of the above-captioned water right claims.

Therefore, IT IS ORDERED that the above-captioned water right claims are hereby decreed as set forth in the attached *Partial Decrees Pursuant to I.R.C.P. 54(b)*.

Dated April 25, 2017

ERIC J. WILDMAN
Presiding Judge
Coeur d'Alene-Spokane River Basin Adjudication
