

AMENDED DIRECTOR'S REPORT

Subcase No. 94-2134

In Re CSRBA

Twin Falls County Civil Case No. 49576

Report to the CSRBA District Court

Prepared by the Idaho Department of Water Resources
Gary Spackman, Director
Carter Fritschle, Manager, Adjudication Section

April 24, 2017

DESCRIPTIVE SUMMARY

This is an Amended Director's Report submitted by the Director of the Idaho Department of Water Resources.

DISCUSSION

On February 25, 2016, Water Right Subcase No. 94-2134, which was licensed for domestic and mining purposes, was reported to the Court as an unclaimed water right. A Motion to File Late Notice of Claim was filed on July 18, 2016, for Water Right No. 94-9486 for the domestic use associated with Water Right No. 94-2134.

Water Right No. 94-9486, which is limited to the domestic use associated with Water Right No. 94-2134, was recommended in the Spring 2017 Late Claims Director's Report filed with the court on April 20, 2017. The mining use associated with Water Right No. 94-2134 (the remainder of the Water Right No. 94-2134) has not been claimed in the Coeur d'Alene-Spokane River Basin Adjudication, and the Director is now recommending that portion of Water Right No. 94-2134 be decreed as disallowed.

The Director submits for filing with the Court an Amended Director's Report for the aforementioned subcase (see attached recommendation).
