Snake River Basin Adjudication

Dear Mr. and Mrs. McNeal:

We are returning your Notice of Claim to a Water Right and your check #6199 in the amount of \$25.00 for your property in Blaine County. We have found a couple of problems which we would like you to correct before we continue processing this claim.

The first item we need to address is the legal description, both for the point of diversion, Item #4, and the place of use, Item #10. You have given the legal description down to a 160-acre tract on #4. We need this legal description to be taken a step further and described down to a 40-acre tract. If your deed does not give this information, perhaps the Blaine County Assessor's Office could give you some help from their subdivision plats. You have described the property down to a 40-acre tract at Item #10, but the legal description does not conform to your answer at #4. Please check your records and clarify this for us.

Also, please obtain a notary public's verification of your signatures at the bottom of the second page. This is required before this is an acceptable claim.

After you have made these modifications, please return these materials to this office at my attention, for further processing. If you will return these items prior to December 23, 1988, you will not assessed a late filing fee. If you have any questions or concerns, please do not hesitate to contact this office.

Yours Truly,

Donald V. Shaff
