Re: Wurdeman Water Rights Claim
Parcel Number: 48N04W012950

Dear Mr. Davis:

On September 11, 2009, I mailed in our completed water right claim form (domestic use), together with a check for \$25.00. I also noted in my cover letter and the claim form itself that I hoped to supplement our claim with statements from members of the family that originally installed the pumping system in 1954. Enclosed herein are statements from Clarence M. Olsen, and his daughter, Sharon Weiss, regarding the original installation of the system and the commencement of beneficial use. Please treat these as supplements to our original claim, and include them with our other attachments.

Thank you for your attention to this request. If you have any questions regarding these statements or there is any problem with supplementing our claim in this way, please contact me. Otherwise, thank you very much for your cooperation.

Sincerely,

Rick Wurdeman
