RE: SRBA Claim

Dear Claimant:

Please find enclosed your claim and your check # 4701 for \$25 which you recently submitted to our office. I am returning these pursuant to Rule 10,4 of the Department's Adjudications Rules and Regulations.

I must return these for the following reasons:

Item 2 must specify a month/day/year in which the water was first used.

Item 4 must list the 10 acre tract where the well is located and item 10 should list the 40 acre tract where the use is located according to the government land survey system. Please find enclosed a map for your use in determining this description. Please refer to the instructions enclosed.

Item 6 should list from 1/1 to 12/31 if the water is used all year long. Also the rate of diversion or amount must be listed. For a normal single domestic system a rate of 0.04 cfs or 18 gallons per minute is a reasonable amount. Item 7 would again reflect this rate being claimed.

Please find another form with instructions enclosed for your use. Please return the corrected claim as soon as possible to avoid the deadline. If you have any questions please feel free to contact our office.

Sincerely

Allen Merritt
Water Rights Supervisor
