RE: Location of Place of Use for Notice of Claim Number 95-8116

Dear Mr. or Ms. Rebay:

We are in the process of completing the change of ownership for this water right, and subsequent review for recommendation in the Coeur d'Alene-Spokane River Basin Adjudication (CSRBA). However, before I can complete this recommendation I need some information from you; specifically - the location of the place of use. The previous map you returned on August 6, 2016, does not clearly show the place of use. We need this information to make an accurate determination of the water right.

I have enclosed a map of your property and ask that you show on this map where the irrigation is occurring, number of acres irrigated and a description of the conveyance system. Please return this information, to my attention, by May 26, 2017. This will allow me to complete the ownership change and recommendation for court decree on a timely basis.

If you have any questions, I can be reached at (208) 762-2802 or by email at linda.werner@idwr.idaho.gov.

Sincerely,

Linda A. Werner
Water Resource Agent, Sr.
