) ORDER VACATING
) SETTLEMENT CONFERENCE

A Settlement Conference for the above referenced subcases was ordered for September 20, 1996. Since the time the settlement conference was ordered, the court was informed that the primary issues which remain unresolved at this time involve the amnesty statutes, I.C. §42-1425, 1426, & 1427. The amnesty statutes are currently under review by the Idaho Supreme Court. Although it is possible to hold productive settlement conferences in many subcases involving the amnesty statutes, it appears that a settlement conference would be unproductive in these subcases. Therefore, the settlement conference set for 10:30 on September 20, 1996 in the above subcase is **vacated**.

DATED September 13, 1996.
