On January 19, 2010, we received a FAX copy of a Notice of Claim regarding a piece of property described as PIN 033400000070. We do need the original completed claim form with the \$25 filing fee.

There are some questions that we have about the water right. The Date of Priority is the date that the water was first used by you or the former owners. You listed the date as January 1, 2010. Item #6 and #7 do not show the amount of water that you have used.

Would you please submit the original signed claim and the filing fee to our office?

Sincerely,

Kenneth Knoblock
Water Resources Supervisor
