RE: Domestic and/or Stockwater Rights in Reporting Area 16, Basin 37
Snake River Basin Adjudication (SRBA)

Dear Water Right Claimant(s):

Please find enclosed the Idaho Department of Water Resources recommendations for your domestic and/or stockwater water right(s) in basin 37 (the Big Wood River drainage area). We have also enclosed instructions for reviewing (1) your recommended water right(s), and (2) other recommended domestic and stockwater right(s) in your area. Water rights for irrigation and other purposes in basin 37 will be recommended in a later process.

Note that you have 180 days in which to file any objection to our recommendation and to review the domestic and stockwater water rights of other claimants, including those of the United States. Information on the other water rights can be found at the county courthouses in Hailey, Fairfield, Gooding, Shoshone, Mountain Home, and all of the Idaho Department of Water Resources offices (see addresses in enclosure).

If the Court does not receive an objection from you about our recommendation, and no other party objects to your water right, your water right will be decreed as recommended after the 180-day objection period. You will receive your decree from the SRBA Court.

Completion of the SRBA is important for the future of water management in Idaho. We invite you to contact our regional offices with any questions that you have about your water right(s) or this adjudication process.

Sincerely,

Karl J. Dreher
Director
