Lynn notified us Item 9 of claim contradicted Item 14: 1 Household while two lots were shown in Remarks. He said in fact the water is used in his cabin on one lot and in a duplex on the other lot for a total of three households.

Absent the original claim I asked him to note and initial the changes on the copy, sign before a notary, and return the claim effectively amending his claim if it is different. Afterward, we will send him another copy confirming the changes have been made.

RE: Notice of Claim to a Water Right
A37-04026, Blaine County

Dear Mr. and Mrs. Lynn:

We are returning your adjudication claim based on Water Right No. 37-04026 because a motel operated for profit does not meet the definition of domestic use as defined in Idaho Code §1401A (5).

The correct form and instructions have been prepared with the information you submitted and are enclosed for your use. Your claim shows water use for a 14 unit motel. As a result, the fee for this claim would be \$50.00 plus \$100.00 per cfs or part thereof: in this case, \$70.00. We have applied the \$25.00 already submitted to this claim, leaving a balance of \$45.00.

We are also forwarding to you a data entered copy of claim #A37-12738. We have interpreted the data from your claim in the process of data entry in a manner which we feel more accurately reflects the true status of your water right. Please review the enclosed claim to assure that these modifications are in agreement with your water right.

If you believe our data is incorrect or if you make any changes to this Notice of Claim, please sign the form, having your signature notarized, and return it to this office.

You may have recently read about the deferral procedure for small domestic and stockwater filings. Because claim A37-12738 fits in this category we are enclosing additional information on this procedure. Please feel free to contact this office if you have any questions.
