RE: Coeur D'Alene-Spokane River Basin Adjudication (CSRBA) Water Right No(s). 95-9005, 95-11372

Dear Property Owner:

We have been advised you may be the new owner of the property with the water rights referenced above (see enclosed report).

We are in the process of recommending claims that have been filed in the CSRBA, and per data we have reviewed, it appears that water rights 95-9005 and 95-11372 are appurtenant to property you own. Before we can modify our records to reflect your ownership of these water rights, we need to have the enclosed Notice of Change of Water Right Ownership form completed and submitted with the proper documents showing your ownership. Please follow the instructions included with this form and return to our office with all of the required information.

In addition, during the review process, we have found that these water rights may be used year round, and not just seasonally as they were claimed, since right 95-9005 was licensed for year round domestic use. If these rights are used year round, the season of use will need to be amended on both claims. Please contact us and we can assist you in amending these claims after the ownership change has been reviewed and processed.

Please do not hesitate to contact our Adjudication staff at 1-800-451-4129 if you have any questions regarding this matter.

Sincerely,

Lori Harris
