RE: 95-11894

Dear Mr. Jesberger:

We have completed our review of your claim to a water right. The Kootenai County records show that the household was built or remodeled in 1993, therefore, we listed the date of priority of your right as December 31, 1993. If you have any documentation that supports an earlier claim, please submit it to our department.

If you have any questions, please contact us.

Sincerely,

Kenneth Knoblock
Water Resources Supervisor
