RE: Notice of Claim to a Water Right Claim No. A63-31027

Dear Claimant:

We have processed your Notice of Claim to a Water Right filed in the Snake River Basin Adjudication. In the initial review of this claim, we found it necessary to either complete or change an item or items on your claim form(s). A copy of the computer generated copy with these changes and the receipt for the filing fee submitted are enclosed. **ONLY ITEMS SHOWN BELOW WITH A CHECKMARK HAVE BEEN EITHER CHANGED OR ADDED TO YOUR CLAIM(S). IF AN ITEM IS NOT CHECKMARKED, IT IS NOT PERTINENT TO THIS CLAIM.(S)**

X

Item #2 - Only a portion of your priority date was listed. This item requires a month, day and year. We have added in the required information based on the Department's rules for dates of priority.

Item #4 - The point of diversion appears to be incorrectly described or not described at all. Based on other information provided which included your legal description, we have added in the quarter-quarter, section, township and range. If you had listed the Lot, Block and Subdivision name, enclosed is a copy of the subdivision map from which we computed the quarter-quarter legal description.

Item #5 - No description of diverting works was listed. Because the source was described as a groundwater source, we have completed this item with well, pump and pipeline. If your groundwater source is not a well, please notify us.

Item #6 - The period of use is not listed for the use(s) claimed. The Department has recommended periods of use for certain uses. The recommended period of use has been added to your claim.

Item #7 - The total quantity claimed was not completed. The use(s) claimed have been added together and this amount added to your claim.

Item #9 - The number of homes was not listed on your claim. It appears to be filed for one domestic home and this information has been added to your claim.

_____ Item #10- The place of use appears to be incorrectly described, or not described at all. Based on other information submitted we have added in the quarter-quarter, section, township and range. If you had listed the Lot, Block and Subdivision name, we have enclosed a copy of the subdivision map from which we computed the quarter-quarter legal description. Or, if you had listed a quarter-quarter legal description under Item No. 4, we have listed this same quarter-quarter, section, township and range on this item.

_____ Item #12- The ownership of the place of use has not been marked. We have assumed you own the place of use and this information has been added to your claim.

_____ Item #15- The Basis of Claim was not completed. No previously recorded water rights were found, therefore, we have marked beneficial use of the water as the basis for filing this claim.

_____ Other _____

If you have any problems or questions concerning these additions and/or changes, please contact this office within 30 days from the date of this letter. If we do not hear from you within this time, we will assume you agree with these changes, and your claim will remain on file as shown on the enclosed data entered copy.

Sincerely,
