RE: Snake River Basin Adjudication
Rosmarie Bogner

Dear Jim:

We are returning your Notice of Claim to a Water Right filed for your client's property in Blaine County and your check #8621 in the amount of \$50.00. We have noted some problems with one of the claims which we would like you to correct.

The claim for the caretaker's residence as submitted is acceptable. Please return it along with a check for \$25.00 prior to February 20, 1989.

The problem lies with the claim for the guest cabins. You are given the opportunity to withdraw this claim. Any water right developed from a groundwater source after 1963, for any use other than single family domestic use, is required to have an application for permit filed. We can find no record of a permit for this property. The claim you have presented conflicts with the Ground Water Statute at §42-229 and §42-230(e), Idaho Code, and Water Appropriation Rules and Regulations, paragraph 2,15.
