Dear Mr. Shaff:

Referring to your letter of July 17th enclosed, please find our Notice of Claims which we have amended to include the answer to Item No. 2, Date of Priority.

I have no way of knowing precisely when water was first placed in beneficial use on each property, and I have estimated a date based on what appears to be the age of the improvements on each of the properties. It may be that the first priority preceded these by some time, but I have no way of knowing.

I appreciate your help in this matter.

Very truly yours,

Douglas J. Pennington

Re: Snake River Basin Adjudication SRBA
Blaine County

Dear Claimant:

We are returning your Notice of Claim to a Water Right filed for your property in Blaine County. We have noted some problems with your claim which we would like you to correct.

A critical item of the water right, the date of priority, was left off your claim. This is the date that the water was first placed to beneficial use to the best of your knowledge. I apologize for neglecting to mention that Item #2 needed to be completed when we returned your claim the first time.

Please return the documents to this office at the attention of Helen Harrington. If you will make these corrections before August 17, 1989, you will not be assessed a late filing fee. Do not hesitate to contact this office if you have any questions or concerns.

Yours Truly,

Donald V. Shaff
