Sub-Case Nos. 57-02368

Report to the SRBA District Court

Prepared by the Idaho Department of Water Resources

Karl J. Dreher, Director

David R. Tuthill Jr., Acting Adjudication Bureau Chief

September 23, 1996

DESCRIPTIVE SUMMARY

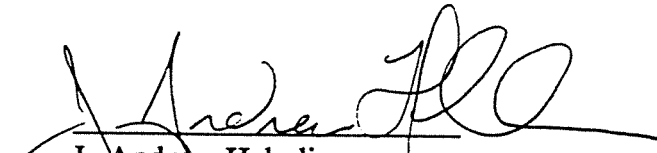

IDWR submits this report to inform the Court and the parties that IDWR has reviewed copies the Standard Form 5 documents submitted by the United States in the above referenced subcases and that the Director did not sign the Standard Form 5 documents.

DISCUSSION

The Director did not sign the Standard Form 5 documents for the reasons set forth below.

Despite discussion and agreement by United States and IDWR regarding the elements of the above referenced subcases, original Standard Form 5 documents were not served upon IDWR for signature. Had Standard Form 5 documents been provided to IDWR, IDWR would have signed them. IDWR concurs with the description of the water rights in the Standard Form 5 documents.
