Department of Water Resources

Dear Mr. Shaff,

I am returning this application. Per your letter of Feb 1, 1989 and our phone conversation on Mar 1, 1989 I will resubmit this application with map marking houses using water from well. Date of priority on this application is for our household at 62 East Fork Rd.

I have given other application to Jack Bell in adjoining house that shares our well & he should send it in immediately.

Thank you for your information and help.

Sincerely,

Kay Tenney

Dear Mr. and Ms. Tenney:

Your Notice of Claim to a Water Right filed for your Blaine County property and check # 146 for \$25.00 is returned as I am unable to process the claim as filed for two reasons:

First, State Law requires all groundwater developed after March 25, 1963 except for certain single household domestic and/or stockwater wells to file an application for permit at the time of development. On your claim you indicate 2 households separate ownership, and a priority date Aug. 1, 1980 therefore your water right requires a permit.

I was unable to find an existing permit or license for your water right, therefore you have two options for filing your water right at this time, they are:

- a. file two separate SRB Adjudication claims, one for each household, with the priority dates corresponding to the dates when each house first used water from the well.
- b. file an application for permit for multiple households on one source, the priority date for both homes would be the day the application is received by the Department of Water Resources.

I have enclosed both, an Application for Permit and instructions and a Notice of Claim to a Water Right and instructions.

Second, if you choose to exercise option #1 above, the legal description given in #4 and # 10 on your original claim are for different locations. I am enclosing a photocopy of an aerial photo of the section you indicated for the location of your property. If you could locate each house and the well with visible markings (red) on the photocopy and return the map with your Claims we will then determine the correct 1/4, 1/4 section legal description and complete the processing of your Claims.

If you choose to file the two SRB Adjudication claims, please return the claim forms to this office ATTN: H. Harrington before March 3, 1989 to avoid any late fees. Please do not hesitate to contact this office if you have any questions or concerns.
