Jack Wright, Wright Realty Co., phoned in regards to a letter Tara had written on December 28, 1995 to Gary and Carolyn Coleman requesting more information on an ownership change received December 26, 1995 indicating a split was to be done. The 42-1409(7) stated "water right belonging to the 10 acres being kept will not be transferred," but did not indicate from which water right the 10 acres was to be split, nor the amount of water the the 10 acres was to retain. Mr. Wright, whose realty handled the sales transaction, stated the 10 acres in question had never been a part of any of the five claims listed on the change of ownership form, and that we should disregard the indications of a split and process the ownership change as though no split was taking place. He also asked that if we had any further questions or needed any other documentaion to give him a call at 837-4700.
