Re: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) claim 95-8812

Dear Shannon & Laura Horn,

The Idaho Department of Water Resources (IDWR) is currently in the process of reviewing CSRBA claims filed in your area. You filed a claim based on water right license 95-8812. License 95-8812 has a priority date of May 18, 1993. However, on your claim you listed a priority date of May 27, 2003. It appears that you might have claimed the 2003 priority date because that is when you acquired the property. However, since the license is applicable to the property, there is no reason you couldn't claim the priority date originally licensed (*generally it is more beneficial to have an earlier priority date*).

For your convenience, I am enclosing an amended claim where the priority date has been changed to reflect the date authorized on the license. If you are interested in claiming the licensed priority date, please review the enclosed claim and initial any changes you wish to make. When satisfied, sign the claim and return it to me within the next 30 days.

Note that there are no additional filing fees and you do not need to submit the amended claim if you do not want to. I just thought I would double check.

Please feel free to contact me at (208) 287-4916 if you have any questions.

Respectfully,

Craig L. Saxton
