RE: Snake River Basin Adjudication

Dear Ms. Delaney:

We are returning your Notice of Claim to a Water Right filed for your property in Blaine County and your money order #38787798960, in the amount of \$25.00. We have noted some problems with your claim which we would like you to correct.

① The first item we need to address is the form itself. The form you have used is limited to single family domestic use. You have listed two households as receiving water from this well. If the water right you have claimed is supplying water for two households, with both homes under single ownership with both homes having the same priority date, this form may be used for the \$25 filing fee. If this is the situation, please describe this condition on the form at Item #9. Otherwise, please complete the enclosed blank form and remit the \$50.00 filing fee plus \$100.00 for each cfs you will be claiming.

You have not listed a date of priority at Item #2. The date of priority is the date the water from the well was first placed to beneficial use. In other words, the date the water was first used inside the houses. As I mentioned in the previous paragraph, you may have two priority dates, one for each house. If this is the case, you will need to file two separate claims, each for a \$25.00 fee and you should use the green forms like the one already submitted. If both houses were constructed and hooked into the well at the same time, I would suspect that you would have a priority date of around 1956 to 1957 based on the note you attached to your claim.

At Item #6, we were looking for a month and day during the year that you are using the water, not the date you bought the property. Normally domestic use is "1-1 to 12-31". In regards to the amount on that same line, the department's standard for each household is .04 cfs. You may of course use more or less depending on the diversion

capacity of the pump in the well. Please enter an appropriate amount based on your usage. Item #7 is simply a total of the amounts in Item #6.

After you have made these corrections and obtained the notary public's verification of your signatures at the bottom of the claim form, please return these materials to this office at my attention for processing. If you will return these materials prior to December 30, 1988, you will not be assessed a late filing penalty.

Yours Truly,
