Dear Mr. Simon:

Enclosed is your receipt for the filing fee for your Notice of Claim. We are returning your claim because of the date of priority seems to be incorrect. The date should be the date that the water was first used in the household by you or former owners. Usually it is the date the well was completed or when the house was built. The policy for signing the claim is to have both parties sign unless the names are separated by "and/or".

Please review the date of priority and make any changes initial the changes and return the claim to our office.

Sincerely,

Kenneth Knoblock
Water Resources Supervisor

Sir -

21 March, 2010

I have changed the "priority" date to October, 1999
when we first used the well.

Also, my wife signed.
