Dear Mr. and Mrs. Smith:

Thanks for the claim information that you provided to ^{the} Idaho Department of Water Resources (IDWR) Northern Region office. Your water right claim for domestic and stock water use of the well on your property has been reviewed and assigned number 95-12336. Additional information and/or amendments are needed before IDWR can complete processing your joint claims with Gary Creagle.

Please review the enclosed copies of your joint claims with Gary Creagle and contact me to schedule an appointment to review and/or correct or amend these claims. IDWR also needs to determine what 'Irrigation water right' you are referring to on Line 12 of the attached claims.

I can be contacted at the address shown above or at (208) 762.2800 if you have any questions. Please note that our office in Coeur d'Alene has moved from our former location on Northwest Avenue to the address shown above.

Respectfully,
