GRUNDFOS**5 Year
Performance**

1/3 through 1 1/2 HP Submersible Pump Protection Application

Dear Grundfos Dealer:

To make certain your customer's Grundfos submersible pump is fully covered under the supplemental *Performance PLUS* protection program, READ AND FOLLOW THESE INSTRUCTIONS CAREFULLY. Please type or print clearly.

Complete this policy application in full. Then sign and date the application.

Your customer should keep the top white copy of the application. Keep the yellow copy for your records and send the two remaining copies (pink and goldenrod) to your Grundfos distributor.

Should the pump fail due to any of the conditions specified under *Performance PLUS* prior to the expiration of the 5-year term of the policy, your customer should contact you. You then pull the pump and determine if the cause of failure is within the terms of the *Performance PLUS* policy. If it is, Grundfos will repair or replace the pump at no charge through your distributor.

***Performance PLUS* does not cover the labor charges involved in pulling and reinstalling the pump.**

The *Performance PLUS* protection policy covers all Grundfos domestic submersible pumps up through 1 1/2 HP. It is limited to the original owner of the pump and is non-transferable.
