MEMORANDUM

DATE: January 23, 2004

FROM: Ernie Carlsen

TO: Claims for Brad Snarr

RE: Amending claims to reflect permissible place of use

Brad Snarr came in to amend his claims that are appurtenant to the "Stoddard Place". Two parties originally filed the 27 claims. Though historically the property was one farm with one irrigation system owned by Ray Stoddard. In 1973, Ray sold part of the farm to Clarence Love and divided the water rights. However, the two properties continued to be irrigated through the same irrigation system. In 1985, Brad purchased the Love property after it had been repossessed by Farm Home. Then in 1990 Brad purchased the remainder of the farm from Ray Stoddard. With the "Stoddard Place" back under single ownership Brad Snarr amended the claims for the farm to reflect a single place of use.

I've reviewed your 27 adjudication claims currently in the Dept. of Water Resource database. Claims 1-10000B thru 1-10009B are for water rights previously owned by Ray Stoddard delivered to the Kennedy Ditch. Your adjudication claims also describe the Kennedy Ditch as the point of diversion in the claims. Water District #1 is also currently delivering these rights to the Kennedy Ditch.

You've also claimed portions of water rights 1-124, 1-128, and 1-124. All of these water rights are currently being delivered to the Kennedy Ditch except for the portions transferred to Yamasaki, Reed, and Barkdull. The adjudication claims do not specifically identify the Kennedy Ditch. You may want to make an appointment with an adjudication agent at the IDWR office to add the Kennedy Ditch to the "Remarks" section of your claims.

Finally, you claimed portions of water rights 1-1, 1-2, 1-47, 1-116, 1-117, and 1-118. Water District #1 delivers portions of these rights to the Kennedy Ditch and I can only assume that your portions are included in these deliveries. Again, you may want to add the Kennedy Ditch to the "Remarks" section of your claims.

Sincerely,

Tony Olenichak
Deputy Watermaster

Remarks:

This notice of claim is a filing on decreed water rights which are a result of a voluntary dissolution of the Shattuck Irrigation Co. The lands noted in the place of use were aquired by the Farm Credit Bank of Spokane on August 30, 1988, from Clarence Love. The lands aquired by Farm Credit are one-third of the lands which Clarence Love purchased from Ray Stoddard on December 4, 1980. The lands noted as the place of use are also irrigated with storage waters from the Palisades Reservoir.

The following attachments are included with this filing:

1. Plat map of the place of use and point of diversion.
1 page.
2. List of water rights included in the Shattuck Irrigation Co. Dissolution Decree. This filing includes one-third of the water rights listed under the name of Clarence Love.
