Dear Mr. Greeley:

Thanks for the water right claim that you provided to Idaho Department of Water Resources (IDWR) Northern Region office for your property in Kootenai County (tax parcel 47N04W-04-0650). Your claim has been assigned identification number 95-12431. Additional information is needed before IDWR can finish processing your claim and make an accurate recommendation to the Court.

Please refer to the enclosed copy of your claim and the evidence you provided to IDWR. A 2009 aerial photomap and a Well Driller's Report for a well drilled in 2009 are also enclosed. The 2009 Report (Tag Number D0056221) and records available to IDWR indicate that your claimed priority date may be incorrect and/or that a water right permit application may need to be filed for the second home served by your well(s).

Please contact me to arrange an appointment to amend your claim or to provide additional information to support your claimed priority date. Please use a heavy black marker to mark the location of your well(s) with a dark 'X' labeled 'WELL' and your home(s) circled and labeled 'HOME' on the attached aerial map. Please bring the labeled map with you to our appointment.

I can be contacted via telephone at (208) 762.2800 if you have any questions. Please note that our office in Coeur d'Alene has moved from our former location on Northwest Avenue to the address shown above.

Respectfully,

Shaun M. Maxey
