They came in with three rights with the wrong legal descriptions. They identified the following;

A37-11428 township shows 1N and should be 1S
A37-11429 the same problem

A37-11748 was claimed for the same property as A37-11427. It should be in the same section but in the NWNW quarter.

I explained that the proper procedure is to have them write a letter for each claim to the court explaining the circumstances. The letters will be considered a motion to set aside the partial decree of those rights.
