INTERDEPARTMENT MEMO

DATE: August 14, 1992

FROM: ERNEST CARLSEN

RE: APPLICATION FOR TRANSFER 01-00038B, etc.
SNAKE RIVER VALLEY IRRIGATION

PURPOSE

Remove Alan Cannon's pump as a recorded point of diversion (POD) for Snake River Valley Irrigation District (SRVID).

FINDINGS

- 1) Alan Cannon's has removed his pump and will be receiving water through SRVID's canal.
- 2) The application indicates the heading for SRVID is in T01N R37E SEC 15 NWNW.
- 3) On August 13, 1992, Greg Taylor went to the heading for SRVID to verify the location and legal description for the POD. Using 1987 NAPP photo and an orthophoto he was able to identify the location of the heading and the corresponding legal description of T01N R37E SEC 15 LOT 2, NESWNW.

CONCLUSIONS

- 1) This change will simplify both the water right accounting by Water District 01 and the records of this department.
- 2) This change will neither result in an expansion in use of SRVID's water rights nor cause injury to other water rights.
- 3) The legal description on the application of the POD for SRVID is not correct

RECOMMENDATION/CONDITIONS

After the application has been amended to reflect the correct POD legal description it should be granted with the following conditions:

- 1) Delivery of these rights is subject to regulation by the Watermaster for Water District 01.
- 2) A lockable headgate and measuring device of a type approved by this Department shall be maintained as a part of the diverting works at both points of diversion.
- 3) Approval of this transfer does not preclude the opportunity for review of the validity of the water rights in the ongoing Snake River Basin Adjudication.

ADJUDICATION FOLLOW-UP

The Notices of Claim for SRVID show just one point of diversion, but it also is the wrong legal description. Once the application is approved the Notices should be change to reflect the correct location for the POD.
