MEMO

RECEIVED

DEC 22 1989

DATE: DECEMBER 20, 1989

TO: DON SHAFF

Department of Water Resources

FROM: ERIC VERNER, EASTERN *EV*

SUBJECT: AR E000055, PROGRESSIVE IRRIGATION DISTRICT

=====

Per your instructions this memo explains the actions that I have taken regarding final payment of AR account E000055.

On November 30, 1989 Dennis accepted a check for \$10,000 (E011237) from Progressive Irrigation District as partial payment for their adjudication notices. At that time we could not determine the total fee owed because we were still interpreting the POU Comparison Report to find overlapping acres paid. Rather than have them file a third extension of time request, we opted to allow them to make the partial payment. The idea was to have them come back later and pay the balance when we knew what the total fee would be. It should be noted that the Irrigation District could have paid the full amount of the account on the 30th. We received the \$10,000 under receipt E011237 and AR account E000055.

The Irrigation District was under the impression that they would need to pay the balance of the account only, without any interest. However since we created an AR account, our records indicate that some interest is due. In retrospect we probably should have just received the \$10,000 as an incomplete payment and not created the AR account. Per your instructions I accepted a check from the District for the balance of principle owed on account E000055 and I did not charge them any interest.

Let me know if you need any further clarification of this matter.
