Re: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim Numbers 95-10158, 95-17341 and 95-17342

Dear Ms. Gage:

In regard to our recent conversation on the above claims; I am returning the claim forms for the following amendments:

95-10158

This is the claim originally filed for 15 acres of irrigation which lists two different sources; ground water and Wolf Lodge Creek. Since the source for this irrigation is Wolf Lodge Creek, you will need to remove the ground water source. Also, the location of the diversion point will need to be amended as there are three points listed. Also, I'm enclosing a map, please show on the map where the diversion is located and where the irrigation is taking place.

95-17341 and 95-17342

These are the claims which list the claimant as Karl Gage, et al. As discussed, the name should reflect the ownership of the property.

Please initial and date any changes that you make, re-sign the claim forms, and return to my attention as soon as possible. Feel free to contact me if you have any questions.

Sincerely,

A handwritten signature in blue ink that reads "Linda Werner".

Water Resource Agent, Sr.
