Dear Ms. Jevne,

As per our telephone conversation earlier today and based on the legal description which you FAXED, I have identified two Adjudication Claims, a Permit, and Stock in the Little Wood Canal Company as being appurtenant to this property.

Adjudication Claims: A37-01026B and A37-11580

There are two ways to change the Adjudication Claims into your name, either by having the former owner sign the completed NEW PROPERTY OWNER NOTICE OF CHANGE OF WATER RIGHT OWNERSHIP FORM or by attaching the necessary proof to the completed form. Proof can be in the form of a Warranty Deed that includes a legal description of the property, in which case the former owner's signature is not required.

Permit: 37-07844

A Permit is considered personal property and does not go with the land. Proof of beneficial use was submitted in 1985 and as such the permit is required to be claimed in the adjudication to remain a valid right. I don't know the status of this right, however, to obtain legal title to this permit, the former owner must assign the right to you. I have enclosed an ASSIGNMENT OF APPLICATION FOR PERMIT FORM for your use.

Shares and stocks in canal companies are handled through the company itself. You may want to contact them directly as to how to get the ownership into your name.

I have also enclosed some pamphlets on the Adjudication process as you requested. Please feel free to contact me if you have any questions or need any further clarification on these matters.

Sincerely,

Jeanie Robertson
Water Right Agent
