Dear Claimant:

Thanks for the claim information that you provided to the Idaho Department of Water Resources (IDWR) Northern Region office. Your claim has been assigned number 95-12779. Your claim information and additional information available to IDWR indicate that you may be able to claim an earlier priority date if there is a residence served by a well on your property.

Please telephone or contact me at the IDWR Northern Region office concerning the tag number on your well and the date a residence was connected to your well. IDWR personnel are not allowed to amend your claim. A photocopy of your claim and a copy of a possible Well Driller's Report for your well are attached for your information. Please mark the location of your well with a dark 'X' labeled 'WELL' with the tag number and your home circled and labeled 'HOME' on the attached 2004 map. The completed map should be returned to me at the IDWR Northern Region office at the address shown above.

I can be contacted at the address shown above or at (208) 762.2800 if you have any questions. Please note that our office in Coeur d'Alene has moved from our former location on Northwest Avenue to the address shown above.

Respectfully,

Shaun M. Maxey
