Dear Mr. and Mrs. Fuller:

Thanks for the claim information that you provided to the Idaho Department of Water Resources (IDWR) Northern Region office. Your claim has been assigned number 95-12799. Additional information is needed before IDWR can make an accurate recommendation to the Court. Your claim information and additional information available to IDWR indicate that your claimed priority date may be in error.

Please contact me at the IDWR Northern Region office concerning the date a residence on your property was connected to your well. IDWR personnel are not allowed to amend your claim. A photocopy of your claim, aerial photomap, and a map showing the location of buildings on your property are attached for your information. I have also enclosed a brochure describing how you can provide additional evidence to support the priority date.

Please contact me for an appointment after you have marked the location of your well with a dark 'X' labeled 'WELL' and your home circled and labeled 'HOME' on the attached aerial photo map. The completed map should be brought with you to the appointment or returned to me at the IDWR Northern Region office at the address shown above.

I can be contacted at the address shown above or at (208) 762.2800 if you have any questions. Please note that our office in Coeur d'Alene has moved from our former location on Northwest Avenue to the address shown above.

Respectfully,

Shaun M. Maxey
