Claim No. 63-10031

Dear Mr. And Mrs. Swayne,

IDWR is in the process of reviewing claims filed in the Snake River Basin Adjudication (SRBA) in preparation for recommendation of these claims to the SRBA Court this winter. Upon review of the claim you filed and referenced above, I found that our files only include the mailing addresses for Cleo, Bruce and Andrea Swayne but not the address of the actual warehouse located approximately ¼-mile east of the intersection of Southside Blvd. and Greenhurst Rd. I have attempted to locate the correct parcel with Canyon Co tax lot information but because the property has changed owners again, I still cannot locate it.

During my conversation with Andrea yesterday, she indicated that the ownership of the warehouse property has been sold again. Idaho law requires that an owner contact IDWR within 120 days of a property transaction to change the ownership of a water right. Perhaps the new owners did not know of this requirement but if we do not have the information with which to update the ownership of this water right, the owner may not receive information relevant to the use of the water right.

Enclosed a printout of the SRBA claim you filed and a map of the general area of the warehouse. Will you please either call me at (208) 334-2190 with the **physical address** of the property or mark it on the enclosed aerial and return it to me in the enclosed envelope?

Thank you for your cooperation in this matter.

Sincerely,

I started my review of this claim for a license and could not find the place of use. The license and claims files include the mailing addresses of the licensee only and not the physical location.

Using ARCVIEW and the Canyon Co tax lot information was no help because I could not find property owned by the claimant/licensee. I found a phone number for Bruce and Andrea Swayne and called and talked to Andrea. I asked for the street address and she did not know it. She said the property was sold many years ago and has been sold again since then. I read of couple of the owners names of the parcels in the QQ and they did not sound familiar.

I left my phone number for her to give to her husband to call me with the address. I also told her I would send a map out to them so that they can locate the property for me and return it in the enclosed envelope, which I will do today.

If I do not hear back from them, the most likely parcel is the one owned by K B Properties LLC at 3414 E Greenhurst. I will recommend it here and send them a change of ownership letter.

Claim No. 63-10031

Dear Mr. And Mrs. Swayne,

IDWR is in the process of reviewing claims filed in the Snake River Basin Adjudication (SRBA) in preparation for recommendation of these claims to the SRBA Court this winter. Upon review of the claim you filed and referenced above, I found that our files only include the mailing addresses for Cleo, Bruce and Andrea Swayne but not the address of the actual warehouse located approximately ¼-mile east of the intersection of Southside Blvd. and Greenhurst Rd. I have attempted to locate the correct parcel with Canyon Co tax lot information but because the property has changed owners again, I still cannot locate it.

During my conversation with Andrea yesterday, she indicated that the ownership of the warehouse property has been sold again. Idaho law requires that an owner contact IDWR within 120 days of a property transaction to change the ownership of a water right. Perhaps the new owners did not know of this requirement but if we do not have the information with which to update the ownership of this water right, the owner may not receive information relevant to the use of the water right.

Enclosed a printout of the SRBA claim you filed and a map of the general area of the warehouse. Will you please either call me at (208) 334-2190 with the physical address of the property or mark it on the enclosed aerial and return it to me in the enclosed envelope?

Thank you for your cooperation in this matter.
