RE: Decreed Water Right 37-11619

Dear Mr. and Mrs. Prior:

Pursuant to the change in ownership request that has been submitted to the Department, we have changed the record of current ownership to you. Please find the enclosed copies of the computer record of the water right(s) noting the change in owner. Review these records and if there is an error, or you have any questions, please contact this office.

Sincerely,

and any amounts advanced by you under the terms of the section of this Deed of Trust entitled "Our Authority To You." Loans under the Note may be made, repaid and renewed from time to time in accordance with the terms of the Note and subject to the Credit I set forth in the Note.

OWNERSHIP: We are the sole owner(s) of the Premises. We have the legal right to mortgage, grant and convey the Premises to the Trust.

BORROWER'S IMPORTANT OBLIGATIONS:

(A) **TAXES:** We will pay all real estate taxes, assessments, water charges and sewer rates relating to the Premises when they become due. We will not claim any credit on, or make deduction from, the loan under the Note because we pay those taxes and charges. We will provide you with proof of payment upon request.

(B) **MAINTENANCE:** We will maintain the building(s) on the Premises in good condition. We will not make major changes to the building(s) except for normal repairs. We will not tear down any of the building(s) on the Premises without first getting your consent. We will not use the Premises illegally. If the Deed of Trust is on a unit in a condominium or a planned unit development, we shall perform all of our obligations under the declaration or covenants creating or governing the condominium or planned unit development, the by-laws and regulations of the condominium or planned unit development and condominium documents.

(C) **INSURANCE:** We will keep the building(s) on the Premises insured at all times against loss by fire, flood and any other hazards you may specify. We may choose the insurance company, but our choice is subject to your reasonable approval. The policies must be for at least the amounts and the time periods that you specify. We will deliver to you upon your request the policies or other proof of the insurance. The policies must name you as "mortgagee" and "loss-payee" so that you will receive payments on all insurance claims, to the extent of your interest under this Deed of Trust, before we do. The insurance policies must also provide that you be given not less than 10 days prior written notice of any cancellation or reduction in coverage, for any reason. Upon request, we shall deliver the policies, certificates or other evidence of insurance to you. In the event of loss or damage to the Premises, we will immediately notify you in writing and file a proof of loss with the insurer. You may file a proof of loss on our behalf if we fail or refuse to do so. You may also sign our name to any check, draft or other order for the payment of insurance proceeds in the event of loss or damage to the Premises. If you receive payment of a claim, you will have the right to choose to use the money either to repair the Premises or to reduce the amount owing on the Note.

(D) **CONDEMNATION:** We assign to you the proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of the Premises, or part thereof, or for conveyance in lieu of condemnation, all of which shall be paid to you, subject to the terms of any Prior Deed of Trust.

(E) **SECURITY INTEREST:** We will join with you in signing and filing documents and, at our expense, in doing whatever you believe is necessary to perfect and continue the perfection of your lien and security interest in the Premises.

(F) **OUR AUTHORITY TO YOU:** If we fail to perform our obligations under this Deed of Trust, you may, if you choose, perform our obligations and pay such costs and expenses. You will add the amounts you advance to the amount owing on the Note, on which you will charge interest at the interest rate set forth in the Note. If, for example, we fail to honor our promise to maintain insurance in effect, or to pay filing fees, taxes or the costs necessary to keep the Premises in good condition and repair or to perform any of our other agreements with you, you may, if you choose, advance any sums to satisfy any of our agreements with you and charge us interest on such advances at the interest rate set forth in the Note. This Deed of Trust secures all such advances. Your payments on our behalf will not cure our failure to perform our promises in this Deed of Trust. Any replacement insurance that you obtain to cover loss or damages to the Premises may be limited to the amount owing on the Note plus the amount of any Prior Deeds of Trust.

(G) **PRIOR DEED OF TRUST:** If the provisions of this paragraph are complied, this Deed of Trust is subject and subordinate to a prior deed of trust dated 04/30/96 and given by us for the benefit of

CHL

as beneficiary, in the original amount of \$ 77,000.00

(the "Prior Deed of Trust"). We shall not increase, amend or

modify the Prior Deed of Trust without your prior written consent and shall upon receipt of any written notice from the holder of the Prior Deed of Trust promptly deliver a copy of such notice to you. We shall pay and perform all of our obligations under the Prior Deed of Trust to and when required under the Prior Deed of Trust.

(H) **HAZARDOUS SUBSTANCES:** We shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Premises. We shall not do, nor allow anyone else to do, anything affecting the Premises that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Premises of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential use and to maintenance of the Premises. As used in this paragraph, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this paragraph, "Environmental Law" means federal laws and laws of the jurisdiction where the Premises are located that relate to health, safety or environmental protection.

1044 8: 5252269

(i) **SALE OF PREMISES:** We will not sell, transfer ownership of, mortgage or otherwise dispose of our interest in the Premises, in whole or in part, or permit any other lien or claim against the Premises without your prior written consent.

(j) **INSPECTIONS:** We will permit you to inspect the Premises at any reasonable time.

NO LOSS OF RIGHTS: The Note and this Deed of Trust may be repaid or assigned by you without releasing us in the Premises. You may add or release any person or property collateral under the Note and this Deed of Trust without losing your rights in the Premises.

DEFAULT: Except as may be prohibited by applicable law, and subject to any advance notice and cure period as required by applicable law, if any event of default described in Paragraph 12.A. of the Note occurs, the Trustee may terminate upon this Deed of Trust or sell the Premises at a public sale. This means that you or the Trustee may arrange for the Premises to be sold, as provided by law, in order to pay off what we owe on the Note and under this Deed of Trust. If the money you receive from the sale is not enough to pay off what we owe you, we will still owe you the difference which you may seek to collect from us in accordance with applicable law. In addition, you or the Trustee may, in accordance with applicable law, (i) enter on and take possession of the Premises (ii) collect the rental payments, including any due rental payments, directly from tenants, (iii) manage the Premises and (iv) sign, cancel and change leases. We agree that the money we will furnish in the Note will constitute notice and after a default, and before entry of a judgment and foreclosure at public sale. In addition, you shall be entitled to collect all reasonable fees and costs actually incurred by you in proceeding to foreclose or to public sale, including, but not limited to, trustee's fees, reasonable attorney's fees and costs of documentary evidence, abstracts and title reports.

ASSIGNMENT OF RENTS; ATTACHMENT OF INTEREST: As additional security, we assign to you the rents of the Premises. You or a receiver appointed by the courts shall be entitled to enter upon, take possession of and manage the Premises and collect the rents of the Premises including those paid due.

WAIVERS: To the extent permitted by applicable law, we waive and release any error or defect in proceedings to enforce this Deed of Trust and hereby waive the benefit of any process or future laws providing for stay of execution, suspension of time, exemption from attachment, levy and sale and homestead exemption.

BINDING EFFECT: Each of us shall be fully responsible for all of the promises and agreements in this Deed of Trust. Until the Note has been paid in full and your obligation to make further advances under the Note has been terminated, the provisions of this Deed of Trust will be binding on us, our legal representatives, our heirs and all future owners of the Premises. This Deed of Trust is for your benefit and for the benefit of anyone to whom you may assign it. Upon payment in full of all amounts owing to you under the Note and this Deed of Trust, and provided any obligation to make further advances under the Note has terminated, this Deed of Trust and your rights in the Premises shall end.

NOTICE: Except for any notice required under applicable law to be given in another manner, (a) any notice to us provided for in this Deed of Trust shall be given by delivering it or by mailing such notice by regular first class mail addressed to us at the last address appearing in your records or at such other address as we may designate by notice to you as provided herein, and (b) any notice to you shall be given by certified mail, return receipt requested, to your address at

or to such other address as you may designate by notice to us. Any notice provided for in this Deed of Trust shall be deemed to have been given to us at you when given in the manner designated herein.

RELEASE: Upon payment of all sums secured by this Deed of Trust and provided your obligation to make further advances under the Note has terminated, the Trustee shall discharge this Deed of Trust without charge to us, except that we shall pay any fees for recording of a satisfaction of this Deed of Trust.

GENERAL: You or the Trustee can waive or delay enforcing any of your rights under this Deed of Trust without losing them. Any waiver by you of any provisions of this Deed of Trust will not be a waiver of this or any other provisions on any other occasion.

TRUSTEE: Trustee accepts the trust herein created when this Deed of Trust, duly executed and in form lodged, is made a public record as provided by law. Trustee, by its acceptance hereof, agrees to perform and fulfill the trusts herein created, and shall be liable only for its negligence or misconduct. The Trustee waives any liability for and agrees to accept reasonable compensation from Grantor for any services rendered by it in accordance with the terms of this Deed of Trust. Upon receipt by Trustee of instructions from Beneficiary at any time or from time to time, Trustee shall (a) give any notice or demand or exercise any right, remedy or power hereunder or in respect of the Premises as shall be specified in such instructions, and (b) approve or disapprove actions in the absence of such instructions. Trustee may resign at any time upon giving of not less than 30 days' prior notice to Beneficiary, but will continue to act as trustee until its successor shall have been chosen and qualified. In the event of the death, removal, resignation, or refusal or inability to act of Trustee, Beneficiary shall have the power, with or without court order, without notice of any kind (except for such notice as may be required by law), without specifying any known territorial, and without applying to any court, to select and appoint a successor trustee by filing a deed or other instrument of appointment in record in such office in which this Deed of Trust is recorded, and upon such appointment the successor trustee shall become vested with the same powers, rights, duties and authority of the Trustee with the same effect as if originally made Trustee hereunder. Such successor shall not be required to give bond for the faithful performance of its duties unless required by Beneficiary.
