Re: 95-7568

Dear Mr. Grassi:

Our department is attempting to sort out the water rights in your area. There were two water right licenses issued to Patrick Stansbury, 95-7568, for using 0.5 cfs from the Spokane River to irrigation 25 acres and 95-8160, for using 0.10 cfs from a well to supply 2 homes and stock water.

It appears that the area covers the following property owners: Brain Altizer, Kenneth DeSeve, Patrick Finan, James Grassi, Thomas Lind and Michael Stansbury. We have the following items:

A Notice of Claim to Water Right, 95-7568, was received from South Mica Water Association, signed by the Secretary-treasurer, Karen DeServe. It is for the irrigation of 25 acres using 0.5 cfs. The map shows the irrigation taking place on properties owned by Brain Altizer, Kenneth DeSeve, James Grassi, Thomas Lind and Michael Stansbury.

A Notice of Claim to a Water Right, was received from Thomas Lind for a portion of 95-7568, to irrigate 7 acres using 0.14 dcfs.

Four changes of ownership change requests were received regarding 95-7568 from Patrick Finan, James Grassi, Thomas Lind and Michael Stansbury. Patrick Finan listed the amount as 0.10 cfs for 5 acres of irrigation. The others do not list an amount or acreage.

A Notice of Claim to a Water Right, 95-8160, was received from the South Mica Water Association to withdraw 0.1 cfs from a well to supply 5 homes and stock water.

We received a change of ownership request from Michael Stansbury regarding 95-8160.

A Notice of Claim to a Water Right, 95-9090, from James Grassi to withdraw 0.04 cfs from a well for domestic use. He also has a water right permit to take 0.2 cfs from the Spokane River for irrigation and other uses.

Enclosed is a map showing the area. The blue lines show the approximate property lines and the black line shows the area irrigated in 1983.

This is the information we have to make a decision on these rights. The purpose of this letter is to inform you of the information and get input from the individuals involved. If you have anything else or any questions feel free to contact us.

Sincerely,
