Total acres is wrong.

1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

We disagree with the volume limit on water use
We would like to recharge listed as a beneficial use

2. Describe the changes you wish to make in the proposed recommendation:

Use of historical volumes - correct acreage
Credit & count beneficial use of recharge

3. Give a brief explanation as to why you disagree with these portions:

The volume limit would only give us about 5 weeks
of water use. The canal does a lot of recharge.

☐ I AGREE with this proposed recommendation: no changes need to be made.
