I met with Steve Elliot of the City of Idaho Falls who works for the Electric Division. We visited 3 power plant sites that are particular to 16 Adjudication Claims. The sites are the "UPPER Plant" north of Idaho Falls, The "City plant" which is located in town south of the Broadway bridge & the "Lower plant" just west of the intersection of Sunnyside Rd & South Yellowstone Highway. (Steve Elliot phone - 529-1449, cell 390-8764)

The Gen State Hydroplant was not included as it appears to be a post-1987 project.

Gentlemen:

Our records show you have filed your adjudication claim(s) in the Snake River Basin Adjudication. Our records do not, however, include a clear map of your service area. Would it be possible for us to get a map of your customer service area for your municipal water system, both to supplement the record of your claim(s) and for use as described below?

In our review and investigation phase of the Snake River Basin Adjudication, the map would be helpful for us to have this information in verifying individual claims to water rights for domestic purposes. We will be happy to discuss with you the most convenient way for you to provide this information to us. I can be reached at 327-7931 or you may contact my assistant, Anita Warntjes at 327-7986.

Your assistance in this matter is greatly appreciated.

Sincerely,

DAVID B. SHAW
Adjudication Bureau Chief
