The data comprising the digital boundary are incorporated herein by reference and are stored on a CD-ROM disk issued in duplicate originals on file with the SRBA District Court and the Idaho Department of Water Resources. IDAHO DEPARTMENT OF WATER RESOURCES
RECOMMENDED WATER RIGHTS ACQUIRED UNDER STATE LAW

OTHER PROVISIONS NECESSARY FOR DEFINITION OR ADMINISTRATION OF THIS WATER RIGHT:

The name of the United States of America acting through the Bureau of Reclamation appears in the Name and Address sections of this partial decree. However, as a matter of Idaho constitutional and statutory law, title to the use of the water is held by the consumers or users of the water. The A&B Irrigation District acts on behalf of the consumers or users to administer the use of the water for the landowners in the quantities and/or percentages specified in the contract between the Bureau of Reclamation and the A&B Irrigation District for the benefit of the landowners entitled to receive distribution of this water from the A&B Irrigation District. The interest of the consumers or users of the water is appurtenant to the lands within the boundaries of the A&B Irrigation District and that interest is derived from law and is not based exclusively on the contract between the Bureau of Reclamation and the A&B Irrigation District.

This water right must be used in conjunction with water right 1-14. This water right cannot be transferred, leased, or otherwise used without water right 1-14.

This partial decree is subject to such general provisions necessary for the definition of the rights or for the efficient administration of the water rights as may be ultimately determined by the Court at a point in time no later than the entry of a final unified decree. Section 42-1412(6), Idaho Code.

Hi Jennifer,

I'm working with some microfilm data and had an exception statement for this BOR record stating the claim was not in AJ, which is true. I took a look at the microfiche and sure enough we have a claim in the same form we have for A01-04060, another BOR claim. (The signature and notary block are not present.) Would you pull A01-02060 off the shelf and do the data entry at your convenience to add this claim to AJ? You can use the receipt and claim received date like A01-04060 has. Thanks for your help.
