IDWR/NORTHERN

IDWR office, CDA:

Enclosed is copy of preview of our claim #95-13267. I clicked to pay online, then realized I had to mail anyway in order to include copy of notarized confirmation of initial diversion in July 1970, but couldn't get back to place to choose mode of payment.

Please accept this preview copy with our signatures and check for \$25. This should complete our filing.

Barbara Meldrum

P.S. I saw no place to enter our lot number of our property - it is lot 6 (see full property description on the letter from James Nielson)
