Re: Water Right Claim 95-2078

Ms. Werner:

On November 17, 2009, I filed a notice of claim for water right claim 95-2078 on behalf of Black Hawk Ranch Owners Association, Inc. The claim was filed in my capacity as an attorney with the law firm of Lukins & Annis, P.S.

Please be advised that I no longer work in the capacity as an attorney for Lukins & Annis, P.S., and do not represent the claimant in any capacity. Please update your records accordingly.

Sincerely,

Paul Harrington
