RE: Rejection of Claim 95-818

Dear Claimant:

The Department of Water Resources has received your Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim numbered 95-818. We are rejecting and returning your adjudication claim as Question #6 on the claim form was not filled out completely. You may add in the required information for Question #6 and return your claim to this office if you would like to continue with the adjudication process. In addition, the original water right for 95-818, which was previously decreed in the Twin Lakes Adjudication, is considerably different than the claim you have filed.

If you would like to contact an adjudication agent in the IDWR Northern Regional Office at (208) 762-2800, they would be able to assist you in correcting these issues with your claim.

Sincerely,
