Re: Notice of Claim to a Water Right

Date: July 15, 2010

Property: 48NO4W340225

The above property, at 1375 E. Harlow Point Rd, Harrison, Idaho, is owned by me, Joanna Strobel. Robert Strobel, my husband, passed away on August 7, 2008. The following information is recorded to the best of my knowledge.

My husband and I purchased our lake cabin in 1958 from Mini Roberts. At that time, spring water was used for domestic water use, as well as lake water.

Mrs. Roberts was in her 80's when she sold us her home. Mrs. Roberts was born on the property and lived in the original log cabin on the property. We think Harrison Q. Reynolds, who had a patent on the property in 1912, was her father. Mrs. Roberts was born in the log cabin. When she married, she and her husband built their home next to the original log cabin. Both the log cabin and the home are currently on the property. Spring water was the only source of domestic water used on the property until around 1983 when my husband had a well drilled for our use. I am uncertain of the exact date and cannot find a record of who drilled the well or when the well was drilled. I remember that we had the well drilled the next summer after our granddaughter became very ill from drinking the spring water.

My family currently uses spring water on the property for minimal live stock use.

If you have any questions, please contact my daughter, Mary lee Delony, at 425-463-6766.

Sincerely,

A handwritten signature in cursive script, appearing to read "J Strobel".

Joanna Strobel
