Dear Claimant:

Thanks for the information that you provided to Idaho Department of Water Resources (IDWR) Northern Region office. Additional information is needed before IDWR can complete processing your claim and make a recommendation to the Court.

My review of your claim and Kootenai County information indicates that the property tax parcels claimed for the point of diversion and place of use are not adjacent to Lake Coeur d'Alene. There is no information in your claim regarding an easement or agreement to cross another property owner's land to obtain water from the Lake for your use on an interior lot.

Please contact me at the IDWR Northern Region office concerning amendment(s) or corrections to your claim. A photocopy of your claim and other material is enclosed for your information.

I can be contacted at the address shown above or at (208) 762.2800 if you have any questions. Please note that our office in Coeur d'Alene has moved from our former location on Northwest Avenue to the address shown above.

Respectfully,

Shaun M. Maxey
