MEMORANDUM

DATE: January 23, 2004

FROM: Ernie Carlsen

TO: Claims for Brad Snarr

RE: Amending claims to reflect permissible place of use

Brad Snarr came in to amend his claims that are appurtenant to the "Stoddard Place". Two parties originally filed the 27 claims. Though historically the property was one farm with one irrigation system owned by Ray Stoddard. In 1973, Ray sold part of the farm to Clarence Love and divided the water rights. However, the two properties continued to be irrigated through the same irrigation system. In 1985, Brad purchased the Love property after it had been repossessed by Farm Home. Then in 1990 Brad purchased the remainder of the farm from Ray Stoddard. With the "Stoddard Place" back under single ownership Brad Snarr amended the claims for the farm to reflect a single place of use.
