RE: Water Right Claim Corrections for A01-00115T,
A01-10054, A01-10055, and A35-12434.

Dear Mr. Searle:

The Department of Water Resources (IDWR) has discovered some typographical errors in your original Notices of Claim to Water Rights submitted May 30, 1989. The Section and County were listed incorrectly in Items #10 and #11 for claims A01-00115T, A01-10054, and A01-10055. Claim A01-10056 was renumbered to A35-12434 and the Section was corrected in Items #4 and #10.

I have enclosed copies of the original notices with the corrections for your records. I have also enclosed AMENDED notices with the corrected information for you to sign and return to the IDWR. Your signature must be notarized on each of the amended notices before the changes can be made to the permanent records.

Please return the signed and notarized amended notices to the IDWR as soon as possible so the records can be accurately updated. If you have any questions, please call me at 1-525-7161.

Sincerely,

Tony Olenichak
Senior Water Right Agent
