The above transfers also provide that 1/8 of the Watson storage in Palisades be transferred to the Parsons. Unless I hear from you to the contrary, I will temporarily transfer a total of 294 acre-feet of your storage space. I presume this would include 1/8 of your preferred space or 136 acre-feet. A permanent transfer of this storage will probably require some sort of memorandum of agreement or revision of your Palisades contracts. A copy of this letter is being sent to H. R. Gray, Superintendent of Minidoka Project, U. S. Bureau of Reclamation, Burley, Idaho. He will likely contact you at a later date with suggestions for a permanent arrangement for your Palisades storage.

Very truly yours,

H. C. Eagle
